

*To whom it may concern*

*It's my absolute pleasure to recommend Adriana as a consultant on Tyler-Munis software.*

*Adriana has worked with me as both a Project Manager and Munis Consultant for over a year now.*

*I love working with Adriana, and she became a truly valuable asset to our County, especially the Treasurer's Department and the County Clerk's Department, which I am a part of as the Financial Officer. She is honest, dependable, and incredibly hard-working. Beyond that, she is a great listener who is always willing to find a way to fix any issues we come across. If she can't fix it herself, with her experience at Tyler, she always knows the right approach and/or people to use to help problem solve.*

*Her knowledge of the Munis program and expertise in the implementation and project management of that program has been a huge advantage to our entire office. She put this skillset to work in order to get us out of quite a jam when she took over as Project Manager for us, and now she's helping us close our first year as a consultant.*

*Without a doubt, I confidently recommend Adriana to join your team as a consultant. As a dedicated and knowledgeable consultant and an all-around great person, I know that she will be a beneficial addition to your organization.*

*Please feel free to contact me at [dthatcher@clevelandcountyoak.com](mailto:dthatcher@clevelandcountyoak.com) I'd be happy to expand on my recommendation.*

*Best wishes,*
